Chester, Ill., April 5.-Deputy Coroner Devine was called to Kaskaskia Island Wednesday, to hold an inquest on the body Wednesday, to hold an inquest on the body of a male infant 8 months old, discovered by Judge W. R. Burch's boys in a straw stack on that gentleman's farm. The body was neatly dressed in a woolen undershirt, pink drees, white silk cap and rolled up in a cloak made of Turkish toweling.

The neck and face were badly discolored as though it had died from strangulation.

Nothing is known of the child in the neighborhood, and whose it is and how it came there are unsolved mysteries. The general impression is that it was murdered and hidden in the straw stack.

TAXES UNEARNED PREMIUMS.

Court Decision Declares Insurance Companies Must Pay. KEFUBLIC SPECIAL

New York, April 5 .- More than \$200,000,000 will be added to taxable values in New York City by reason of a decision Thursday by City by reason of a decision Thursday by Justice Leventritt that all fire and casualty insurance companies can be taxed by the city on their unearned premiums.

Two test cases on this point have been pending since 1839, when the National Surety Company was assessed for \$239,000 on its unearned premiums and the American Fire Insurance Company was assessed for \$311,000.

Justice Leventritt decides that the companies could not diminish for the purpose of escaping taxation "their actual capital by deducting the so-called unearned premiums."

Washington, April 5.—The State Department has been informed by Minister Loomis, who has been recalled from Venezuela, that

THERE IS LIGHT FOR YOU!

TO-MORROW Warner's Safe Cure

For a Quarter of a Century

A BEACON LIGHT TO HEALTH.

Judge T. A. McMahon, of Chicago writes: Fourteen years' liver complaint seriously interfered with my official du-ties. I was dosed with pills and powders until I lost heart and courage. At last I tried Warner's Safe Cure. I do not wender everybody speaks well of it, Eight bottles cleaned me from head to foot, and I am a well man.

Dr. C. F. P. Burchmore, \$78 Huntington Avenue, Boston: Whenever opportunity presents, I prescribe Warner's Safe Cure, and I have yet to see a patient dissatisfied with the results where a disease of the kidneys or genito-organs existed.

Henry Hill, Cashler Standard Oll Co., Chicago, Ill.:

I suffered with kidney and liver trouble for eight months. It upset my entire system and made me unfit for work. The doctors finally advised me to take Warner's Safe Cure. Within one week after beginning its use, the burning sensation had partially disappeared. In two weeks more I considered myself cured, and I have been in perfect health ever since. Could there be stronger testimony or from more reputable men! Do not longer delay, but begin to-day the use of Warner's

Safe Cure, and thus secure the greatest of all blessings-good Send your name and address to WARNER SAFE CURE CO., Rochester, N.Y.,
